# On-boarding journey

## Building A Relationship

- We believe in building great relationships right from the start
- Your dedicated account manager will guide you through the whole journey

## Launch

- We will help you launch the scheme for your staff
- Staff can start choosing cars straight away, with deliveries in 7 days or less on some models

## Setup

- Setup is easy with no tech integrations
- From the service agreement being signed to go-live can be just a matter of days

## A Helping Hand

- If you/your staff have any questions about the scheme, we are here to help
- We are also EV experts, so if they don't know what to choose to fit their lifestyle, we can help
