Latest coronavirus restrictions.

- Do not meet people inside your homes.

- Only meet one other household outside or in public places (max. 6 people).

- Please work from home if you can.

- If you test positive, everyone in your household should stay at home for 14 days.

Stick with it. For yourselves and each other.

Sticking to the restrictions stops the spread.

When one person catches the virus, they infect others. And they infect more. It soon adds up. But by following the guidance and reducing contact with others it quickly slows the spread.

It's not easy. But acting now will help us get back to the things we enjoy. Go to gov.scot/coronavirus

Stick with it. For yourselves and each other.
